### **SHERIFF EDWARD N. BONNER RELEASES THE FOLLOWING:**

Despite the suspicious circumstances surrounding the deaths a husband and wife at the Foresthill Bridge early Wednesday, it appears the couple committed suicide. However, the case is still under investigation.

Bryon Keith Kincannon, 45, and his 44-year-old wife were residents of the Yuba County community of Brownsville. The wife's identity will not be made available until her family is notified. The content of the notes left in their vehicle are not being released, but they did help investigators understand what occurred.

The Kincannon's car was found at 3 a.m. on the Foresthill Bridge by California Highway Patrol officers. It was parked in the middle of the roadway with its emergency flashers on. Nearby, deputies found a ladder leaning against the bridge railing and two strings dangling from the outside railing.

Both were wearing helmets when found and they appear to have jumped with their small dog.
